"The Board of Examiners shall not consider the application of any person for admission into the conference for license or transfer from other denominations unless such a person is sponsored by three Pentecostal Holiness ministers who vouch for his or her character. (Ordained ministers coming from other denominations do not have to take the written examination)" (1952)

"All persons applying for preacher's license or ordination shall make application through the conference office." (1957)

"We recommend that the Board of Examiners carefully examine each candidate for minister's license concerning his or her credit rating." (1958)

"All candidates for ordination shall have completed courses offered at Holmes Theological Seminary, Southwestern Bible College, Emmanuel College, by attendance or correspondence, or a course approved by the Board of Examiners." (1959) (This rule shall not be interpreted to require more than the discipline.)

"The code of regulations shall be continued." (1957)

FINANCES—MINISTERIAL

"In case of a pastoral change, the local church shall be responsible for the moving expenses of the incoming pastor."

"That each local church support the conference financial system by sending ten per cent of the regular tithes and offerings to the conference treasurer; said tithes to be sent in each month, and in case of failure to comply with the foregoing rule, the church may be asked by the superintendent, for an explanation as to why tithes have not been paid.

"That the conference support the general budget, and that funds collected for World Missions, Children's Home, Education, etc., be sent to the confer ence treasurer. Churches complying with this recommendation be permitted to ear-mark special offerings." (This must be equivalent to ten percent of net receipts.)

"That all active members of the North Carolina Conference pay one hundred percent of the tithe (both ministerial and secular) into the conference treasury and one percent for conference superannuation." (If a minister fails to pay his tithes he shall be excommunicated from the conference—Discipline.)

Those who fail to do so shall be subject to investigation by the conference board."

"That both churches and ministers see to it that their tithes are fully paid for the conference year ending June 30th and in the hands of the conference treasurer by July 15th.*

"That the conference treasurer pay for the utilities (electricity, fuel, telephone and water) in the conference parsonage and offices."

"In view of the high cost of living and maintaining adequate transportation for ministry, and in view of the feeling that an adequately supported minister can and will do a better job, it therefore becomes mandatory:

a. That each local church pay the parsonage utilities, (electricity, fuel, telephone and water) separate and apart from the regular salary of the minister. In case of pastor who devotes his full time to the ministry and does not occupy a parsonage, that the church pay rent and utilities."

b. That each local church official board review the minister's salary at least once each year and grant increases in salary in keeping with the diligence, merit and growth of the church for which he is largely responsible."

WORK OF THE STATIONING COMMITTEE

"That the Committee on the Division of Labour give consideration where practical to churches and ministers involved in radical changes contrary to the expressed wishes of the churches." (1947)

"That the work of the Stationing Committee be conducted in short sessions over a number of days, giving the committee ample time to deliberate without becoming too fatigued through long sessions, and designating certain sessions for the delegates, groups or ministers to come for interviews, and provided that no full time pastoral moves be made without adequate consultation with the parties concerned; thereby removing at least a large amount of secrecy which has heretofore surrounded the work of the committee, and making for what we believe a more satisfactory system of labor division." (1951)

VACATIONS

"That the conference superintendent be given a two-weeks vacation with pay during the year. He shall be allowed to conduct two revivals outside the conference boundary if he desires to do so, and pay for such services shall not apply on his salary." (1949, '59)

That church pay $5.00 for each delegate to the conference and their meals shall begin on Thursday noon before the sitting of the conference."

"Delegates who live close by and do not occupy rooms in the dormitories shall pay for each individual meal if desired." (1959)

"That all auxiliaries of the church using facilities at Falcon be responsible for any and all breakage or damage of said facilities. Also they shall be required to pay for gas and electricity used in their conventions, etc."

PASTORS' AND EVANGELISTS' RENT

"That where there is no parsonage, all full-time churches pay their full-time pastors' house rent and charge it to miscellaneous expenses, and full-time evangelists shall have the privilege of deducting house rent from amount received." (1957, 58) ("Full-time" means the minister does not habitually resort to secular labor for a livelihood.)

ANNUAL REPORT OF CONFERENCE SUPERINTENDENT

Mr. Chairman, and members of the Conference:

This has been an extremely busy year, but God has proven Himself equal to the challenge and thus the work has gone forward and this conference year has been one of the best.

My Work

I have endeavored to preach 141 times. I have presided over 27 district conferences, served as chairman of the Christian Education Board, Planning Commission, Evangelism Board and supervised the conference to the best of my ability. I spoke in the King Memorial Services at Franklin Springs, Georgia. I conducted revival meetings at Roper, Kinston, Verona, Wallace, Roanoke Rapids and preached in the Alabama Camp Meeting. I have organized three churches. I have managed the Camp Meeting here in Falcon and Piney Grove Camp Meeting at Chocowinity. I have served as chairman of the Orphanage Board and tried to fulfil my duties as a member of the General Board of Administration.

As chairman of the Planning Commission I have tried to carry out the assignment given by the Annual Conference and Commission. I have had a fine group to work with and the Lord has been our helper. There have been some delay and difficulties in connection with the erection of the houses and office building here, but the work has gone along about as well as could be expected and thus I am living in the new home now.

Many good words have been spoken and some fine contributions have been made toward this project. I have had letters, even from other states commending us for the fine work being done in "rebuilding Falcon."

Material Side

I think special attention should be made of the fact that Mrs. B. S. Thompson Family gave $5,000.00 toward the project and the Wellons Brothers pledged ten thousand dollars ($1,500.00 of this has been paid). Also the Oral Roberts Foundation gave one thousand dollars. Others have made smaller contributions and still others have pledged. The Lord be praised for all this.

I have received for services rendered $6,317.56. I have paid some $36.00 locally, $75.00 on superannuate fund and $733.46 into the conference treasury. I received 7 cents per mile for 18,000 of the approximately 25,000 miles traveled in conference work.

Spiritual Side

The conference has had 1,118 saved, 496 sanctified, 289 baptized with the Holy Spirit in the churches, 251 have been baptized in water. We had a net gain in membership of 404. Four churches have been added to the conference roll. This gives us a total of 8,149. For this I am grateful.

I can say my own experience is up to date. I am saved today from all known sin, sanctified and filled with the Holy Spirit. I am endeavoring to live right before God and do what I can for my fellowman. In spite of the 14 and 16 hour-days I have had to work of late, I still feel good in body and have good health. For all this I am grateful.

I appreciate your support and prayers.

W. Eddie Morris, Superintendent

REPORT OF COMMITTEE ON EDUCATION AND PUBLICATION

We, your Committee on Education and Publication, make these recommendations:

1. That the North Carolina Conference hold the Christian worker's Institute in 1963, with the Conference Official Board planning and promoting the program, and appoint program committee to help in advisory capacity.

2. That the North Carolina Conference endorse the program of General Education as approved by the 1961 session of the General Conference, and that we support the institutions within the jurisdiction of the Eastern Board of Education, Emmanuel College of Franklin Springs, Georgia and Holmes Theological Seminary of Greenville, South Carolina, and pledge support in the fund-raising efforts during the period from Easter Sunday to Pentecost Sunday for Emmanuel College and during December for Holmes Theological Seminary as planned by the Eastern Board of Education.

3. That pastors of local churches within this conference plan a cooperative program in indoctrinating members of the Pentecostal Holiness Church in its theology and order of discipline, and that such study courses be set up as a simultaneous effort conference-wide for a local church or group of churches.

4. That a Student Loan Fund be created to provide financial assistance to ministerial students who plan an educational program on the college or theological seminary level, and that a study commission be named to work out details in coordinating the loan program with policies set by the Conference Official Board.

5. That the acquisition of property for a student center at East Carolina College for Pentecostal students be studied by the Conference Official Board and other connectional societies which might have an interest in the growing number of students from our several churches throughout the denomination who elect to attend this college in completion of higher education.

6. That the North Carolina Conference in official adoption of a proper resolution at this session and throughout its bounds in its local churches publicly protest the interpretation of the United States Supreme Court of the first amendment to the Constitution of the United States and that Congress make clear, by law, that the public recognition of God is completely different and distinguished from "an establishment"—a state church; that in letters to the United States Senators and Members of the House of Representatives from North Carolina—our position be made clear, also, that the free exercise of religion still include the public invocation of God, when free faith and good conscience direct, and that this applies to all citizens and all situations, including teachers, as they convey their classes, legislators in local, county, state and national assembly, and justices in all courts of the land.

7. That the North Carolina Conference Evangel be continued as the official publication of this conference with the Conference Superintendent serving as editor and business manager.

8. That local churches and all auxiliary agencies and connectional societies and ministers of this conference purchase all Sunday School and church supplies from the Advocate Press, as far as feasible.

9. That a Literature Committee be named in local churches to promote and maintain circulation of and the subscriptions to the Conference and denominational publications, the pastor giving support to this project.

10. That 2,750 copies of the minutes of the 52nd annual session of the North Carolina Conference be published and each related department or connectional society pay its allocated share of the printing costs.

11. That ministers and local churches make use of the communications media in their areas, becoming better acquainted with editors of local newspapers, managers and program directors of radio and television stations, and utilize outdoor bulletin boards or appropriate signs to identify their churches, in becoming better known in their area.

12. That the Conference Official Board, or a commission it might appoint, study the feasibility of producing a Conference-sponsored radio and, or a television program in the evangelism activities and especially developing an interest in areas in which there are no local churches of the denomination at this time.

13. That the North Carolina Conference consider the making available to public libraries and to college libraries within the territory the periodicals published by the denomination.

14. That local churches be encouraged to build libraries as a means of stimulating interest in reading of choice and appropriate books and publications, especially among the young people; and that the North Carolina Conference consider the feasibility of establishing a lending library at Conference Headquarters as a means of making

available, on loan, books which are required of reading candidates for the Christian ministry.

Respectfully submitted: James W. Butler, Chairman; Harvey E. Johnson, Vernon K. Clark, L. E. Turpin, E. W. Downing, Vera B. Price, Ruth Tew

Respectfully submitted: Eric D. Vernelson, Chairman; S. A. Fann, W. B. Satterfield

A RESOLUTION

Whereas, The Rev. Jesse G. Daniels has consented to return as instructor and teacher at Holmes Theological Seminary in Greenville, South Carolina, and since he will not receive any remuneration for said service, we feel that instructing and training ministers and Christian workers is rendering, not only a vital service to the General Church, but that the North Carolina Conference is greatly benefitted also, (the school having taught and helped to prepare many ministers who are now serving the North Carolina Conference).

We recommend that he be paid $50.00 per month for the eight month school term. This to be paid from the Conference Evangelistic Fund.

REPORT OF COMMITTEE ON WORLD MISSIONS

Just as Christ was departing from the earth, He commanded His disciples to "Go into all the world and preach the gospel to every creature," that is, make disciples in His name among all nations of the earth. Therefore, it is our God given duty to spread this truth throughout the world.

In view of this command, we submit the following for your consideration and approval:

1. That as a church, we pray, preach and give more for the spread of the gospel through World Missions.

2. That a monthly Mission service be conducted in each church, at which time an offering be taken for World Missions and said offering be sent to the Conference Treasury, Post Office Box 97, Falcon, North Carolina.

3. We wish to commend the churches who are getting their members and friends to pledge at least $1.00 per month to missions, and would recommend that our churches do the same throughout the conference. We feel that the local pastors should take an active part in this project and work diligently with his members along this line.

4. That special emphasis be placed on World Missions during the Falcon Camp Meeting. The plans to be worked out by the Camp Meeting Officers.

5. That all churches in the North Carolina Conference be encouraged to cooperate with the Special Seasonal Drive for Missions as recommended by the General Conference.

3. That all tithes and reports of both ministers and churches be in the conference office by July 15, 1963.

4. That ministers deduct seven cents per mile for their gross income for traveling expenses in connection with their ministerial labor.

5. That we support the Superannuate plan and continue the Father's Day offerings.

6. That each local church mail quarterly reports to the conference office, the first quarter ending September 30, 1962.

7. That the Conference Board be responsible for securing the Camp Meeting speakers for the 1963 Camp Meeting.

9. If a pastor indicates to his church membership that he wants to serve his church another term as pastor and a church casts a vote for his return, then later he decides otherwise and requests to be moved, if this request is granted it must be put in writing and a copy given to the committee chairman.

REPORT OF COMMITTEE ON FINANCE

We believe that the Holy Scriptures plainly teach that paying tithes and giving offerings is God's established plan for the support of His work.

Therefore, we, your Committee on Finance submit the following:

1. Inasmuch as Falcon is now the headquarters of the North Carolina Conference and since all of our activities should be centralized here, we recommend that the following paragraph be substituted for the current By-law dealing with this matter.

"That each local church support the conference financial program by sending ten percent of its regular receipts monthly to the conference treasury, Post Office Box 97, Falcon, N. C. In the event of failure to comply with this regulation the conference superintendent may ask the church for an explanation as to its failure in this regard."

2. See By-laws
3. See By-laws.
4. See By-laws.
5. See By-laws
6. That the conference superintendent be paid $125.00 per week plus offerings, and that he receive 7 cents per mile for official travel.
7. That the section of the By-laws dealing with the conference and church parsonage utilities be strictly observed by the entire conference without exception.
8. That the conference board be permitted to donate the equivalent of a superannuated minister's tithes where real need is evident and when requested.
9. Inasmuch as the North Carolina Conference is increasingly handling larger sums of money and since there is an increasing expectation and requirements for a certified auditing, we recommend that a committee be elected to ascertain the most suitable source for an annual auditing of the North Carolina Conference financial records. We further recommend that this committee consist of the conference superintendent, the conference treasurer and Mr. W. C. Marshburn.
10. The 1962 Annual North Carolina Conference Sunday School Convention recommended that the following be approved by the annual conference. We enthusiastically recommend its acceptance as a further step of progress in Christian stewardship since our Sunday School teachers and officers are a vital part of our local church leadership;

"Recognizing that our Sunday School personnel cannot effectively teach that which they do not practice, we recommend that each Sunday School Staff member be required to pay tithes to the church."

11. In the interest of increased convenience, we recommend that the conference board be authorized to transfer all bank deposits to the First Citizens Bank and Trust Company of Dunn, North Carolina.
12. That the conference board be authorized to confer with any insurance company in the interest of securing the best group insurance coverage, as soon as possible.
13. In order that the evangelistic program in local churches not be hindered, we feel that the time has come to require the official boards of all churches to take the necessary steps to see that evangelists be properly paid. The following schedule is recommended, and when adopted shall become the rule of the North Carolina Conference.

a. That all full-time churches employing full-time evangelists pay not less than $100.00 per week to their evangelists.

b. That all churches consider $75.00 per week a minimum for their evangelists, and make every effort to raise this amount for this purpose.

c. That twelve-day revivals (Wednesday through Sunday week) be considered two full weeks in terms of paying an evangelist.

14. That ministers of the conference be strongly encouraged to participate in the General Superannuate program. Since there seems to be a genuine need for more adequate information we request the Presiding Officer to offer some explanatory information and suggestions relative to the General Superannuate Program.
15. That the official board study the feasibility of having a full-

time treasurer. Let this be done within a sixty day period after conference. Should they deem it advisable after a careful study, they are authorized to place him on a full time basis.

16. That the following appropriations be made for this conference year:

a. Ten percent of conference tithes to the conference building program.

b. Fourteen percent for conference evangelist.

c. Twenty-five percent for conference superannuation.

d. One percent for general superannuation.

e. Two percent for Christian Education.

(1) That all funds received into the Sunday School and Youth treasuries in addition to this two percent shall comprise a fund for Christian Education.

(2) That the Christian Education Board, in collaboration with the Conference Board designate a person to serve as treasurer of this fund.

17. That the following appropriations be made at this session:

a. Emmanuel College	$300.00
b. Holmes Theological Seminary	300.00
c. Christian Action League	100.00
d. Conference Secretary	50.00
e. Conference Treasurer	35.00
f. Public Relations Director, James W. Butler	35.00
g. Miss Blanche Sasser	35.00

18. That the salary of the conference secretary shall be $20.00 per month, and that the conference treasurer receive $75.00 monthly salary.

19. We recommend that the Woman's Auxiliary president be permitted to make the presentation of the appropriations to the colleges in connection with their "College Caravans."

20. That the salary of the office secretary be reviewed annually by the conference board and raises be granted in keeping with the diligence and merit.

Respectfully submitted: Wiley T. Clark, Chairman, C. C. Cribb, Raymond Potter, C. L. Turpin, Lalleon Narron, W. B. Peel, W. C. Marshburn

COMMITTEE ON MEMOIRS

God, in His great wisdom, who does all things well and never makes a mistake, has called from our midst since last conference, Brothers Jesse G. Crocker, L. C. Lassiter and W. B. Howell.

Brother Crocker joined the conference in the year of Nineteen Hundred and Thirteen (1913). He pioneered, organized and served several of our churches. Though he has departed, his influence remains with us.

Brother L. C. Lassiter joined the Conference in the year of Nineteen Hundred and Twenty (1920). He served several of our churches. He was faithful to the church, his fellowman and to God.

Brother Howell came to our conference in the year Nineteen Hundred and Fifty-Five (1955) from another Pentecostal body. He served a number of churches. He had just completed a fine parsonage at his

last pastorate and was ready to move in, but God called him home to live eternally in that building not made with hands.

These men were good ministers of Jesus Christ and will be greatly missed in the conference. Our loss will be heaven's gain.

We sincerely extend our deepest sympathy to all who so keenly feel the loss of those loved ones, especially the widows and children.

A. The Superannuated Fund shall be a permanent part of the financial program of the North Carolina Conference of the Pentecostal Holiness Church, Inc.

B. The Superannuate Fund shall be for the benefit of:

a. Ministers and their wives.

b. Widows and widowers of ministers.

A. Retirement: A minister having been disabled to do the work of a minister, or sixty-five (65) years of age shall be eligible, at his request, for retirement benefits. The rate of benefits shall be determined by:

b. His support of the conference financial program.

1. In the event a minister retires because of mental or physical disability before he reaches the age of sixty-five (65), his rate of superannuation benefits shall be based on his service years in the conference and his support of its financial program.

(a) The administrators of the fund shall determine whether such disability is temporarily or permanent and financial adjustments shall be made accordingly.

2. Upon Retirement, a minister shall receive $3.00 per month per service year. The maximum benefit shall be $100.00 per month.

REPORT OF APPRECIATION COMMITTEE FOR RETIRING MINISTERS

The divinely-appointed task of preaching the gospel of Christ is unexcelled on earth in importance and dignity. There is a beauty both simple and majestic about the minister of the gospel who has "fought a good fight, and kept the faith."

It is not appointed unto men to remain youthful and energetic in spite of increasing years. Like many others of the past, and some among us today, the persons whom we now honer have come to the time of slower footsteps and decreased activity. Though their hearts may yet burn with love's most intense fire, yet must they rest in the shade of the evening for a while before passing through gates of eternal splendor. While they rest a while from the heat of the day, we are mindful that they are among us "worthy of double honor for their work's sake."

The North Carolina Conference of the Pentecostal Holiness Church has not spoken before of its most senior members in such sacred moments and such a special sense as we now speak. May this be but the beginning of a few moments of honor for our retiring ministers —the most minimum manifestation of our esteem for them.

Not all ministers serve in equal capacities, nor are their faithful labors of love equally observed. However, our Lord Himself has promised an appropriate and eternal reward for him who does nothing more than render a cup of cold water in His name. How much more shall our Heavenly Father reward those whose years have been spent earnestly endeavoring to made things on earth more like things in heaven.

Rev. B. R. Walker has been a member of our conference since 1949 and was formerly a member of the Fire Baptized Holiness Church. According to his personal testimony he has been a minister for more than fifty years. In his own words, "I am glad to say at the age of seventy, I still love to talk and tell about Jesus. I intend to finish my ministry with joy."

Rev. Mrs Effie Poland became a member of the North Carolina Conference twenty-eight years ago in the year of 1934. She has been both active and loyal and has served both as pastor and evangelist. She has always worn the garments of true Christian modesty and humility.

One of our beloved senior ministers upon whom we now set our hearts in Christian admiration has had a ministry among us worthy of more detailed mention. I refer to the Reverend E. W. Downing, who was admitted to the North Carolina Conference at Greenville, North Carolina in 1931. During these thirty-one years of active service he has served ten different pastorates, including two five-year assignments in New Bern. During this time he has preached approximately 4,650 sermons and has traveled approximately 372,000 miles in the ministry. He has organized four churches and has led his people in the erection of two news church buildings, including his New Bern pastorate. From his pastorates in New Bern alone not less than ten persons have become ministers of the gospel. Only in eternity shall we behold the people redeemed and blessed by his ministry who shall rise up and call him blessed.

Some of our older soldiers of the cross must seek rest from their hard-fought battles and others from among us have already laid down their armour and gone home. We rejoice that there are with us today young and strong hands who are filling the gaps and pressing the battle. We pray that the anointing of the Holy Spirit shall be upon them in double measure, that the truths and work of Pentecostal Holiness shall go forward in glorious triumph.

It is our present purpose to say "well done" to our retired and retiring ministers in the most permanent way possible. Thus we recommend that an appropriate certificate be prepared for public presentation to all of our superannuated ministers. We further recommend that their names be inscribed on a bronze plaque and placed in the lobby of the new administration building at our conference headquarters here in Falcon. In this way they shall have a place of permanent honor among us even long after they have ceased to benefit materially from our Conference Superannuate program.

Respectfully submitted: Joe L. Russell, Jr., Chairman; B. T. Underwood, James Jackson, T. O. Todd, Alvah Watson

This was presented on Sunday afternoon following the Ordination Service. The Conference Superintendent made some timely remarks. The Conference stood while Bishop Synan led in a prayer of thanksgiving for all the retired ministers.

WHAT TIME IS IT?

By this question we do not mean to direct your attention to the clock or calendar but to some major needs in your Sunday School program. A church may have a long-range program covering five years or more. A good part of the program, however, should be accomplished this year. It is time to plan next year's work. Include these things and balance your Sunday School program and widen the influence of your Church.

Time to Develop More Soul-Winners
Time to Lift the Level of Bible Teaching
Time to Enlist and Train More Workers
Time for Every Church to Set up a Training Program
Time to Consider Advantages of the National Standard of Achievement
Time for Every Sunday School Worker to be at his best.

Members of the Convention are Ministers, Sunday School Superintendents and Delegates from local churches. Visitors are welcome to attend all sessions.

There shall be **one** delegate for each seventy-five members of the Sunday School or major fraction thereof.

This is your Convention. Enter into the spirit of it, make notes, make friends, make new consecrations enabling you to be a more effective worker.

There will be no written reports this Year, as the Sunday School Year ends June 30, 1962. Delegates be prepared to give verbal reports.

Lunch will be served in the Conference Cafeteria sponsored by the Conference Sunday School Association.

The Sunday School Board is asking each Sunday School to send or bring $3.00 to help take care of Convention expenses.

All persons eating in the dining hall are expected to pay $1.00. Children 50¢.

We offer our warmest **thank you** to the local church for serving as host to the Convention.

Christian Education Dept.: W. E. Morris, Chairman; C. L. Turpin, Director; W. E. Thompson, J. D. Lee, Dennis Price, Raymond Pope.

COMMITTEE ON RESOLUTIONS

We, your Committee on Resolutions, recommend the following:

1. We recommend to the Annual Conference the continuation of full time Director of Christian Education.
2. That the Director of Christian Education who is approved by the Conference serve as President of the Sunday School Association and that this convention elect a Vice-President and a Secretary-Treasurer.

5. That the Annual Conference approve the consolidation of the Sunday School and the Youth Boards into a Christian Education Board, to function as the Christian Education Department.
6. That the Christian Education Board work out the details of the 1963 Convention.

7. That North Carolina Sunday Schools adopt National Standard of Achievements and that each Sunday School work toward Standardization as outlined in NSA Booklet, "They That Be Wise Standardize."

8. That each Sunday School teach at least one unit of Teacher Training Course this year to Sunday School Leadership and potential Leadership.

9. That the Director of Christian Education at least once each quarter furnish each pastor a newsletter stating statistics in relation to our Conference Sunday Schools.

10. That the Annual Rally and District Rallies be worked out by the Christian Education Board.

11. That the Sunday School Convention minutes be inserted in the Conference minutes, and that the Sunday School Department pay its pro-rata part of the cost of said minutes to the North Carolina Conference Treasury.

12. That we endorse the "Double in a Decade" program, and that we thus set a goal of 30,000 members by 1970.

13. That the Christian Education Department promote a scholarship fund for worthy boys and girls from the North Carolina Conference who plan to attend Emmanuel College or Holmes Theological Seminary. That earmarked funds from individuals or churches may be placed in this fund.

14. That all revisions of rolls be done once a year under the direct supervision of the Sunday School Superintendent and Pastor. The suggested time is the 1st Sunday of October. This deals only as to whether a person is active or inactive.

15. That we follow the calendar year of the National Sunday School Association.

16. That Promotion day be the last Sunday of September.

17. That the new year for all Sunday Schools begin October 1st, or the first Sunday. This deals with the functions of Sunday School.

18. That we strive to have at least 50 Vacation Bible Schools in the coming year.

19. That a letter be sent to all churches once a quarter if they fail to pay their tithes into the Christian Education Department.

20. Our National Standard calls for a mission offering each month. In view of the fact that our Conference is Foreign Missions minded we therefore would like to join hands with them in the effort. Each Sunday School will send each month to our department their offering designated for missions. At the end of the year proper records will be kept ntoifying each church of the amount they have paid to Foreign Missions. That all money received for Foreign Missions be sent directly to Conference Treasurer each month.

21. Recognizing that our Sunday School personnel cannot effectively teach that which they do not practice, we recommend that each Sunday School staff member be required to pay tithes to the church and to show satisfactory evidence thereof.

That the Sunday School Convention submit this recommendation to the forthcoming Annual Conference for its approval.

Signed: W. E. Thompson, W. A. Crawford, Mrs. Sally Morris, Henry Hoell, Mrs. Dolly Davenport.

Coming! Soon! Space Invasion! What Space? The devil's space! What we don't conquer—He does! ... So let's....

Our Count Down Age

The news was from Cape Canaveral. Count down was on ten, nine, eight, seven, six, five, four, three, two, one, zero! What days we live in—days when the Communists continue to advance! Atheism and skepticism continue to advance. Certainly time is running out. Whatever we are going to do for the kingdom of God should be done now. God's message to us through his Son is, "When ye shall see all these things, know that it is near, even at the doors...." so shall also the coming of the Son of man be."—Matt. 24:33-37.

There is a Christian "count down" going on. It is sounding in your ears. Urgent, vibrating, personal, inescapable! Listen! "Ye shall be witnesses unto me in Jerusalem, and in...."—Acts 1:8. Every pastor, Lifeliners Director, and official must be part of an aggressive, evangelistic outreach through the Lifeliners Department to find all youth who need to "Try Christ's Way." What are you doing for this "count down" generation? May your goal for the new year be "Reaching Youth with the Truth."

REPORT OF CONFERENCE PRESIDENT

Mrs. J. Floyd Williams

The year August 13, 1961 to August 2, 1962 has been one of satisfaction in many ways. The pleasure of serving the North Carolina Woman's Auxiliary and the cooperation received more than compensate its officers for the hours spent in fulfilling their various duties. They have been happy in giving hours of dedicated service to the Auxiliaries of this conference.

Your President has presided at the meetings of the N. C. Board, of the District Directors, of the Fall and Spring Rallies, of both pre-convention meetings of the General and N. C. Convention, attended meetings of the district conferences, and has represented the N. C. Conference at the Feast of Ingathering, Richmond General Convention, Harvest Day, Conference-wide Evangelism Banquet and Rally and Christian Workers' Institute. Auxiliaries (who requested official visits); Greenville, Mt. Carmel, Roanoke Rapids, Shelmerdine, Goose Creek, Bridgeton, Rocky Mount, Wilmington First Church and New Hopewell were visited by your President.

The District Directors who are Mesdames Thad White, Lalleon Narron, Wiley Creek, H. D. Marshburn, Marvin Whitfield, W. A. Crawford, James Jackson, B. T. Underwood, J. C. Williams, and the N. C. W. A. Board have assisted with official visits; therefore making it possible for the 45 Auxiliaries, who requested it, to have visiting speakers.

Total number of Auxiliaries at the present time is 116; of which 6 are new (Peniel, Raeford, Jones Grove, Shelmerdine, Bridgeton, Goose Creek) and 2 are re-organized this year (Weldon, Greenleaf).

Attendance at our rallies was outstandingly good. The local presidents showed good leadership to have the fine number present representing their Auxiliary.

Our theme for these rallies, "Promoting the Spirtuality and Welfare of the Home," was reflected in the Fall rallies with a skit, "In Honor to Him;" while the Spring rallies directed attention to suggestions and methods for family worship.

Your President and the Board mailed and distributed to each local Auxiliary 39 form letters, cards and information bulletins. This provided official information for every month and in most months two or three items. This is no small task to plan, assemble, and prepare for mailing this voluminous material. However, this has been successfully and efficiently accomplished by your elected board in an earnest endeavor to serve the local Auxiliary.

The Conference Project has always been an important part of N. C. W. A. This year, through the 50 cents per member assessment plan, you have been able to erect a covering over the walkway leading from the Tabernacle to the Lila Berry lounge. This is the largest project N. C. has attempted; but according to our Secretary-Treasurer your contributions were the largest in our history.

A portrait of our founder Mrs. Lila Berry has been purchased and will be hung in loving honor of her in the Lila Berry lounge adjoining the conference cafeteria.

Our General Project was advanced by 77 local Auxiliaries contributing $914.92.

The Sharing Sister General Conference Program assigned Ontaria and her president, Mrs. Douglas Clark, as N. C.'s Sharing Sister. This has been promoted by your President through monthly letters and exchange of conference promotional materials. An article by Mrs. Clark in July HELPING HAND gives some insight to Ontario's response to this service.

The N. C. EVANGEL page, "Our Women," has provided advance publicity of Auxiliary activities and newsworthy reports of local W. A. achievements. Your President has edited this monthly page and contributed other articles to ADVOCATE and HELPING HAND.

ADVOCATE drive resulted in N. C. mailing 960 subscriptions. Twenty-three local Auxiliaries met or exceeded their goal of 20 subscriptions. Although not the winner of the drive, N. C. has the distinct honor of mailing in the largest number of subscriptions.

The Missionary Sponsor Plan, advanced by missions director, Mrs. M. Hollon Davenport, was adopted by more local Auxiliaries (66) than in any previous year. Our vision has broadened as we have become more closely acquainted with our assigned missionary families. The John Parkers, The Lamar Paes, and Lou Ann Locke. The director has shown efficiency as she has made this general program vital to N. C. women.

The regular letter of appeal for funds for Feast of Ingathering, sent out by Mrs. James Jackson, met with a good response resulting in $908 for Emmanuel and $668.73 for Holmes. Advance publicity for 1962 Feast of Ingathering prepared by Mrs. Joe Russell, Sr., Education Director, was mailed in July. It is hoped that the response for our eastern colleges will be even more generous this year.

N. C. women are always most interested in Harvest Day and again evidenced deep concern for Falcon Children's Home through their 1961 Harvest Day offerings. Mrs. I. M. Huggins, director, reported many W. A. women were in the parade and contributed their share of North Carolina's ($14,714.41) gifts and provisions.

The Historian, Mrs. Garland Newsome has kept the scrapbook up to date with pictures, clippings, and programs and deserves credit and appreciation for her faithful record of N. C. history.

The Secretary-Treasurer, as her report indicates, has spent many hours with her books recording minutes and taking care of the Auxiliary finances. We recognize her services rendered.

The W. A. Board's faithfulness to responsibilities is appreciated.

Your President also wishes to pay tribute to the Tarboro church who has shared in making possible the success that can be acclaimed for this year, to the Auxiliary for being a Gold Crown W. A.; thereby making it possible for your President to stand unashamed before the other Auxiliaries of this conference, to the Lifeliners for use of their mimeographing and office equipment; to the many local women who performed various services to ease the home responsibilities, and to the church secretary who gave long hours typing, mimeographing, and general secretarial services.

The willingness of the President's family to share her time is acknowledged.

Not until one has visited the local Woman's Auxiliary, received the secretary quarterly reports, and corresponded with local officials can one realize the talent, ability, dedication and successful accomplishments of the women in this convention, or can one appreciate

fully the honor and privilege of serving as Conference President. It has been a truly rewarding service, carried on with deep appreciation of your confidence and loyalty.

Thinking of our theme, "Lengthen Thy Cords and Strengthen Thy Stakes," one is reminded that this is a prophecy of increase for the Jewish nation. The people were admonished to enlarge their tents. To do so they must lengthen the cords, which would also make it necessary to strengthen the stakes proportionately that they might bear the weight of the enlarged curtains.

It is hoped that the W. A. of this convention will increase in 1963. A good goal would be at least a 10% increase (127 conference Auxiliaries) with at least 50 Gold Crown Auxiliaries. But if we are to enlarge, we must lengthen our interest and concern for W. A. Standard which would make it necessary to strengthen our dedication to serve.

May God grant that our dedication to serve will be strengthened today as we sit together in this biennial convention.

The Woman's Auxiliaries of North Carolina Conference will miss these deceased members but their works call us to a higher and nobler service.

It is written, "precious in the sight of the Lord is the death of His saints." We sincerely extend our deepest sympathy to friends and relatives who have so keenly felt the loss of loved ones. No greater tribute can express our appreciation for the lives and service of these loved ones than to use the words of our Lord Himself; "they have done what they could."

We recommend that a copy of this report be sent to the families of the deceased, and that this convention stand for a moment of silent reverence which will be followed by prayer.

Let us, too, be faithful, to the trust He has left us.

Respectfully submitted: Mrs. Evelyn Ellis, Chairman; Mrs. Lela Carson, Mrs. Edna Lee Oxendine

COMMITTEE ON RESOLUTIONS

We, your Committee on Resolutions, recommend the following:

1. That a Woman's Auxiliary be organized in each church.

2. That the N. C. Conference stress the importance of local churches complying with Annual Convention Rules, Articles Three, Item Four, of W. A. Constitution: "No organization of any Pentecostal Holiness Church shall function under the name of Woman's Auxiliary unless it complies with the constitution and by-laws of the Woman's Auxiliary."

3. That the Conference President in organizing an Auxiliary be authorized to give the president or secretary a Manual and Secretary record book.

4. That the local W. A. officials acquaint themselves with the W. A. Manual and our Annual Convention Minutes, and that the first meeting after the annual convention be given to the study of the convention committee reports.

5. That each local president stress the importance of the Ten Point Standard. (W. A. Manual).
